

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

### Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

### About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at <http://books.google.com/>

\* Exclusive of the Military.

† Including 48, sex not distinguished.

‡ Approximate 1861.

§ Census of 1869.

†† No Census for the whole of British India taken previous to 1871. The area and population are exclusive of the Federated Native States, estimated as 575,265 sq. m., with a population of 49 millions in 1871, and stated at 509,284 sq. m., with a population of 55,150,466 in the census of 1881, where the area exclusive of Native States is given at 598,256 sq. m.

† The Dominion of Canada was formed on the 1st July 1867, of the Provinces of Ontario and Quebec, New Brunswick, and Nova Scotia. Manitoba and the North-West Territory were included in the Dominion in July 1870, British Columbia and Vancouver's Island in July 1871, and Prince Edward Island in July 1873. The Returns of the Shipping and Trade of the Dominion are exclusive of the Inter-Colonial Trade, from the dates of the establishment of the Dominion and the incorporation of the subsequently added Provinces. In all conversions of Dominion currency into sterling the dollar is taken at 4s. 2d.

§ Exclusive of 7,000 Aborigines in 1871, but inclusive of 7,656 Aborigines in 1881. Sex not distinguished.

|| Census of 1875, including British Caffrairs, 3,006 sq. m., population, 122,154; but exclusive of the territories, viz., Basutoland, 10,293 sq. m., population, 128,176 in 1875; Transkei, 12,065 sq. m., population, 154,531 in 1874-5; and Griqualand West, 17,800 sq. m., population, 45,277 in 1877. Total for Cape Colony and above territories, 240,108 sq. m., with a population of 1,046,968 persons.

¶ Exclusive of Maoris, estimated at 37,502 in 1871 and 44,097 in 1881.

§ Including 3,130 coolies and 4,367 natives sex not distinguished.

\*\*\* Exclusive of Aborigines. ††† Area of inhabited islands exclusive of Rotumah. The population figures include Rotumah.

\* The Returns of Revenue and Expenditure now usually exclude Loans raised and repaid. The Loans included in back years are shown in Tables 4 and 5 of the numbers of the Colonial Abstract previous to 1875.

† See Note V, Table No. 1.

§§ In 1872 and 1873 conversions into sterling have been made at 2s. to the rupee, subsequently at the rate of 1s. 10½d. to the rupee. In previous years the accounts were kept in sterling.

† The Dominion of Canada was formed on the 1st July 1867, of the Provinces of Ontario, Quebec, New Brunswick, and Nova Scotia. Manitoba and the North-west Territory were included in the Dominion in July 1870. British Columbia and Vancouver's Island in July 1871, and Prince Edward Island in July 1873. The Returns of the Shipping and Trade of the Dominion are exclusive of the Inter-Colonial Trade from the dates of the establishment of the Dominion and the incorporation of the Provinces subsequently added.

**TOTAL TONNAGE of VESSELS ENTERED and CLEARED (exclusive of Coasting Trade)—Continued.**
